NATHALIE VON HOHENZOLLERN

Nathalie von Hohenzollern is the designer of all NVH\_Jewels. She creates high-end pieces with bright Coloured gemstones such as Diamonds Pearls and Turquoise beads. All creations are inspired by nature thus spiritual places of her Southamerican background, like the rings from the Collection Machupicchu.

“When I create my pieces I like to stop the time and just indulge in the moment and free my fantasies. The past and the future don’t matter at this point”

Nathalie lives together with her three children in Vienna, Austria from where she designs and manages her brand.

## **Machupicchu**

Inspired by the nature and features of this ancient Inka City, the bright colours and vitalism of its People, the pieces of this collection are bold yet fun to wear. Available in Silver gold plated or 18ct yellow gold on request.
